Thanks for the update Dave. Sorry to hear about the turn of events, but trust you still see a path forward for a productive conversation.

As a reminder, I'm out of the office (in Alaska starting tomorrow for two weeks). Hence, would appreciate if you and/or Jim Keating would call Menchu Martinez tomorrow (acting Branch Chief) after the call and relay how the conversation progressed with the tribe. If that connection doesn't happen, please give John an update when he's back in the office next Tuesday.

Due to concerns over the participant make-up for the Pend Oreille meeting, we have had to restructure the meeting to be an EPA-Kalispel Tribe only meeting. Ecology will not be participating in the meeting tomorrow.

As for participants in the EPA-Kalispel meeting, technical and legal staff are welcome and desired. Kim Owens will participate and she is communicating with Jim Curtin to see if he would also like to participate.

The Kalispel Tribe requested we start the meeting at 10am instead of 10:30am. Let me know if that is not possible for anyone. We are meeting in 15U.
